## Secondary School News

It is amazing to think that we are in the second half of the school year. In fact Thursday, February 17 marked the 100<sup>th</sup> day of school.

We are proud to announce the Valedictorian and Salutatorian for the Class of 2023. Both young men have distinguished themselves throughout their high school careers at Tri-Valley.

Thomas Houghtaling, son of Holly and Todd Houghtaling, has earned the academic distinction of being named the Valedictorian of the Class of 2023 for having the highest overall average in the graduating class. Thomas has challenged himself throughout his high school career to take rigorous coursework and to excel academically, earning the number one ranking. He was recognized by the College Board as the recipient of the National Rural and Small Town Award. Whether academically or athletically, Thomas has always given his best. He was a member of the 2022 State Championship Cross Country Team and the Section IX 2023 Championship Indoor Track and Field team. He is a member of the National Honor Society and serves as the club's Treasurer. He has participated in FBLA and student government throughout high school. He has participated as a member of the school's Track Team and Wrestling Team. Noah Jucha, son of Cassandra and Theodore Jucha, has been named as the Salutatorian of the Class of 2022. Noah has challenged himself with rigorous academic courses throughout high school. As a student-athlete, Ben has been involved in soccer throughout his high school career. Noah is a member of the 2023 Section IX Championship Indoor Track and Field team. He has participated in soccer, track, FBLA and pit band during high school. He was a pioneering member of our Civics & Social Justice (2021-22) class. Congratulations to Thomas, Noah and their families on earning these great honors. We will be announcing the

February 17, 2023

remaining top 10 students in the Class of 2023 in early March.

As we have reached the half-way point of the year which means we begin to start planning and scheduling for the 2023-24 school year. On Thursday, February 16, we held our first "Electives Rounds/Fair". We have bolstered our electives over the past years to provide courses that are of high interest, offer opportunities for exploration and to further students' interests and passions. Students in grades 9-11 had the opportunity to visit classrooms and hear about the electives courses being planning for the 2023-24 school year in the following areas: Visual Arts, Technology/Industrial Arts, Agriculture, Business and Family and Consumer Sciences. Electives taught in Computer Programing, Math, Science, English and Music will be addressed by students' current teachers in each subject area. In all, we are planning to offer 55 elective courses for next year varying from semester and full year courses. In collaboration with SUNY Sullivan we will be offering a variety of college level courses totaling 48 college credits. We will be offering an Advanced Placement (AP) course in Computer Science. Course catalogs for the 2023-24 school year will be available soon on the district website. We are in the process of beginning to meet with students in grades 9-11 (current grades) to do course selection for the 2023-24 school year. In late March, our school counselors, Mrs. Jones and Mr. Williams, will be pushing into the 8th grade classrooms to discuss scheduling and course selection to meet state graduation requirements and to begin their transition to high school. Parents, please feel free to reach out to your child's guidance counselor if you would like to participate in your child's scheduling meeting.

## Elementary School News

Communication: Our RULER team continues their focus on addressing the social emotional well-being of our students. Be on the lookout for your child to be bringing home a really cool slap bracelet that was earned due to their ongoing learning of regulating emotions. This is just another way for us to continue to highlight the importance of every child's mental health!

At-Home Preparedness Plans: Getting into a routine of reviewing emergency procedures with your family at the start of a new calendar year is always worthwhile. Included in your conversation, you are encouraged to review with your child their address, phone number, and discuss what to do if they are ever separated from you whether it be at the grocery store or even if they arrive home from school to find you are not there! Of course the usual fire drills are important too!

A Note from the ES Office: Any dismissal changes should be either faxed or emailed before 2:20 pm. Please be aware that if you email us ([esbusnotes@trivalleycsd.org](mailto:esbusnotes@trivalleycsd.org)), we will send a confirmation email so that you know we have received it. If you do not hear from us, kindly assume we did not get it and you should then give us a call.

In addition, if any of your contact information has changed, phone number or email address, it is important to update that information with us.

### Stay Connected:

Our unpredictable winter weather is here! Stay in the loop! School Closings, Delays, and Early Dismissals are communicated via email, phone, website, and our Tri-Valley Facebook page! Also, be sure to check out the Whitson's menu page for school breakfast, lunch offerings and nutritional facts.

### Weather:

Brrr....it's cold! Feel free to send students into school with coats, hats, and mittens. As temperatures tend to rise during the school day,

afternoon recess and other outdoor activities may resume and we want students to be prepared and warm.

### Teaching and Learning:

Attendance matters! Showing up on time every day is important to your child's success and learning from preschool forward. Missing 1 or 2 days every few weeks can make it harder for your child to gain early reading and math skills, build relationships, and develop good work ethics. If your child expresses that they are not feeling well and you are not certain whether to send your child to school due to illness, feel free to call our Health Office to discuss the situation with one of our nurses.

School Spirit: Bear Pride is something we continue to foster in our students. We invite families to come out and support all of our winter sporting events. A list of daily competitions can be found on the school's website under Athletics. Not only will the attending of an athletic event inspire school spirit, but may also ignite a passion for a particular sport. We are always looking to grow our Tri-Valley Athletics programs.

Upcoming is the Harlem Wizards basketball game where our very own faculty and staff will take on professional basketball players. This exciting event is taking place on February 26th. See our website for more details. I hope to see everyone come out for this fun-filled community event!

Final Thoughts: We are halfway through the 2022-2023 school year. Encourage your children to stay focused. There is lots of learning and growing still to come. Go BEARS!

Jennifer Williams  
ES Principal

## Way to Go 7th and 8th Grade Students!

On Friday, February 10, a special ceremony was held at Tri-Valley Central School for 7th and 8th grade students. The assembly, put on by the 7th and 8th grade teachers, recognized students for achieving Perfect Attendance, Honor Roll, High Honor Roll, and Principal's Honor Roll for the first quarter.

Special awards were also given to students who the 7th and 8th grade teachers selected as going above and beyond expectations inside and outside of the classroom. In the 8th grade, Jacob Davison and Rebecca Squires won awards for Academic Excellence, Aaron Edwards and Luis Cholula-Jimenez won awards for Leadership, Caitlyn Monell and Novalee Morton won awards for Outstanding Work Ethic, Johnathan Moore and Jacob Van Etten won awards for Most Improved, Janiel Prado and Kaylee Taubl won awards for Outstanding Participation, and Hiram Roman and Anthony Schuman won awards for Exemplary Collaboration.

In the 7th grade, Ava Bush and Avery Carrier won awards for Academic Excellence, Matthew Cuji Angamarca and Julia Sweetman won awards for Leadership, Timothy Kufert and Jiya Patel won awards for Outstanding Work Ethic, Maddox Cruz and Leland Reinshagen won awards for Most Improved, Kenneth Green and Sanaa Lawrence won awards for Outstanding Participation, and Christopher Parken and Carter Ukaj won awards for Exemplary Collaboration.

Congratulations to all of the students who were recognized. We are very, very proud of all of their accomplishments!

## *Spring Children's Programs 2023*

*The library is a wonderful place to ignite your child's love of reading.*

The following children's programs are open to caregivers and their children ages 12 months to five years who are residents of the Tri-Valley Central School District. The spring eight-week long session begins the week of April 10, 2023. These programs are free and are made possible through the generosity of our community. Registration is required.

### **Mother Goose Time (12-23 months) Beginning Wednesday, April 12th**

This program is specially designed for very young children. It includes "read together" time (each child has his or her own board book), nursery rhymes, felt stories, playtime, and music for our tiniest patrons ages 12-23 months. Two programs will be held each Wednesday: one from 9:30 a.m. to 10:15 a.m. and one from 11:00 a.m. to 11:45 a.m. Must be 12 months by 12/1/22.

### **Toddler Time (24-35 months) Beginning Thursday, April 13th**

Stories, felt stories, crafts, music, and friendship-building geared for wee ones ages 24-35 months. Two programs will be held each Thursday: one from 9:30 a.m. to 10:30 a.m. and one from 11:00 a.m. to 12:00 a.m. Must be 24 months by 12/1/22.

### **Story Hour (3, 4, and 5 year-olds) Beginning Friday, April 14th**

Our classic, beloved program for three, four, and five year-old children, featuring the "Magic Bag," a read-aloud, felt stories, craft projects, homework, and music. Two programs will be held each Friday: one from 9:30 a.m. to 10:30 a.m. and one from 11:00 a.m. to 12:00 a.m. Must be 3 years or older by 12/1/22.

### **Universal Pre-Kindergarten Story Hour**

Our "Story Hour on the Road" program visits the three UPK classes at Tri-Valley Central School. (Children will be registered at school.)

*Give your child a head start by enrolling in one of these valuable programs this spring. Registration is open to Tri-Valley residents. Please register online at [www.danielpiercelibrary.org](http://www.danielpiercelibrary.org) by April 1st.
