

# ADULT EDUCATION SURVEY

The start of another semester means that it is time for the Tri-Valley Adult Education Survey. If you are interested in participating in the Adult Education Program, please take some time to complete this survey and return it. The classes listed below are perennial favorites and will be offered again if enough people register (and attend weekly) for the class. **There is a required minimum of 10 participants per activity. Attendance will be monitored weekly.** If you are interested in a class that is not listed or would like to instruct a class, please fill in all the information below and submit by October 14, 2023. Once classes have begun, all are welcome to join those classes simply by coming to the class on the days listed below.
