**NYS RETIREMENT SYSTEM ENROLLMENT**

I hereby acknowledge that I have been informed by Tri-Valley Central School, my employer, that as an employee not currently a member of one or both of the New York State Retirement Systems who is or will be rendering less than full time service, I may, as a matter of right, join the one or both retirement systems. I further acknowledge that I understand under present law, if I elect to join one or both retirement systems, I must complete the corresponding Retirement System membership application which must be filed with the Retirement System in order to contribute, pursuant to Article 15 of the RSSL, a percent of my salary to said Retirement System (refer to appropriate retirement system for percentage amount).

I also understand that there is a death benefit after one year of service.
