Dear Parents, Guardians and School Staff,

New York State Education Law Section 409-H requires all public and non-public elementary and secondary schools to provide written notification regarding the use of pesticides periodically throughout the school year.

To comply with the end of spring recess notification requirement, Tri-Valley Central School is providing the following information. No reportable pesticides have been used.

If you have any questions or concerns, please contact Jesse Bell, Maintenance Supervisor of Buildings & Grounds, 985-2296, ext. 5317.

Yours truly,
