Parent/ Guardian *Name of Student*

to have a: (Check one)

- PRIVATE PHYSICAL (obtained at a doctor's office), or
 a cost free SCHOOL PHYSICAL performed by Crystal Run Healthcare (obtained at the Tri-Valley Central School District Health office), during his/her enrollment.

Educational Law and Regulations of the Commissioner of Education require physical exams of children when they:

- Enter the school district for the first time
- Are in Grades Pre-K or K, 1, 3, 5, 7, 9, and 11 (**NYS Screening & Health Exam Requirements are posted on the school website under health services**)
- Are referred by the Committee on Special Education
- To participate in interscholastic sports

It is required to provide a physical to the health service department within 30 days from the first day the student starts school. After 30 days a notice will be sent to you, if a physical is not promptly provided, the student will be scheduled for a school physical with the medical director.

I understand that all reasonable precautions and care will be taken in giving health physicals to my child. The physical exams are done by the school district's Medical Director and with the assistance of a registered nurse. The School Nurse will report to the parents in writing all significant findings which may require further professional attention. The medical evaluation consists of the history and physical exam.
